If the insured dies while this certificate is in force, we pay the death benefit in a lump sum to the beneficiary, subject to the terms and conditions of this certificate, upon receipt at our Home Office of proof of the death of the insured. Proof of death must be by a certified copy of the death certificate or by other written evidence satisfactory to us. We may also require the certificate to be submitted with the proof of death.

We may provide an enhancement to the minimum death benefit amount. We have sole discretion to declare the amount and frequency of an enhancement to the minimum death benefit. Any enhancement to the minimum death benefit will be declared in advance, is not guaranteed and may vary. After the fifth certificate year, you will be notified of the death benefit if an enhancement to the minimum death benefit is to be provided. The minimum death benefit amount is shown on the Certificate Specifications page.

CERTIFICATEHOLDER, BENEFICIARY AND ASSIGNMENT

Certificateholder. All certificate rights and privileges belong to the certificateholder and may be exercised by the certificateholder during the lifetime of the insured. If the certificateholder dies before the insured, all the rights and privileges of the certificateholder pass to the insured.

(This space intentionally left blank.)

GENERAL CERTIFICATE PROVISIONS

Entire Certificate; Changes. The entire certificate consists of:

1. this certificate; and
2. the enrollment form and/or evidence of insurability form; and
3. any riders, amendments or endorsements attached to this certificate.

A change in this certificate will be binding on us only if:

1. the change is in writing; and
2. the change is made by our President, Vice President, Secretary or Assistant Secretary.

Continuation of Coverage or Conversion. If you lose eligibility for the coverage provided under the group policy as stated in items 3, 4, 5 and 6 of the **Termination** provision, you will have the option to continue the coverage or convert the amount of insurance that terminates under the group policy to an individual life insurance policy. Under the continuation of coverage feature, you will have the option to continue the coverage, including any riders, by paying the premiums directly to us at our Home Office. We will bill you for these premiums. If you stop paying premiums under this option, the coverage may enter its grace period.

We must receive a written request for this continuation of coverage option within 31 days of the date the certificate would otherwise terminate. No continuation of coverage will be provided if your insurance under the policy terminated due to the discovery of fraud or material misrepresentation or due to your failure to make required premium payments.

Alternatively, you have the right to convert the amount of insurance lost due to termination of the coverage under the group policy to an individual life insurance policy. The individual policy will be available without presenting evidence of insurability in an amount up to and including the amount of coverage that ceased. You may select from any non-term life policy that is available for sale by us. The premiums charged will be those applicable to the premium class and age at last birthday prior to the date of the selected individual policy. This right to convert to an individual policy may only be exercised within 31 days of the termination of coverage under the group policy.

If you were entitled to convert to an individual policy and you die within the 31 day conversion period, the death benefit will be paid whether or not you applied for conversion. If the first premium was paid for the individual policy, the amount of premium paid will be refunded and the conversion will be void.

These options are mutually exclusive. You may not elect both the Continuation of Coverage and Conversion.

Incontestability. We rely on the statements made on the enrollment form and/or evidence of insurability form for this certificate and any application(s) for reinstatement. These statements are considered representations and not warranties. No statement may be used in defense of a claim under this certificate, unless it is in such applications.

We cannot contest payment of the death benefit after this certificate has been in force during the insured's life for 2 years from the certificate date.

Suicide Exclusion. If the insured commits suicide, while sane or insane, within 2 years after the certificate date, the death benefit is limited to the premiums paid.

Misstatement of Age or Sex. If the insured's age or sex is misstated, the death benefit amount will be adjusted at the time of the insured's death using the correct age or sex.

Payments by Us. All payments by us are made from our Home Office.

Non-Participating. This certificate does not share in surplus distribution.

GENERAL CERTIFICATE PROVISIONS (CONT.)

1. the end of the grace period when premiums remain unpaid; or
2. the death of the insured; or

ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS RIDER

Provides for the Advance of a Portion of the Death Benefit due to Terminal Illness

The terminal illness benefit you receive under this rider may be taxable. Receipt of the waiver of premium benefit may result in the cost of your coverage being considered income.

Consult with your personal tax advisor.

This rider is issued in consideration of the enrollment form and/or evidence of insurability form for this rider. Benefits are subject to the provisions of this rider and the certificate. All terms defined in the certificate and used in this rider apply to this rider, unless otherwise defined in this rider.

DEFINITIONS

Current Discount Rate. The greater of the 90 day Treasury Bill or Moody's Corporate Bond Yield Average-Monthly Average.

Death Benefit Advance. The advance, during the insured's lifetime, of a portion of the death benefit amount.

Certificate. The certificate to which this rider is attached.

Rider Date. The effective date of this rider. The rider date is the certificate date, unless this rider is applied for at a later date. If this rider is applied for at a later date, the rider date is the effective date assigned by our Home Office in accordance with our dating rules in effect at the time this rider is issued.

Terminal Illness. An illness or physical condition:

1. expected to result in the insured's death within 12 months; and
2. for which there is no reasonable prospect for recovery.

PAYMENT OF BENEFITS

If the insured incurs a terminal illness while coverage under this rider is in effect, you may request a death benefit advance. We agree to pay to you the death benefit advance amount upon our receipt of all of the following:

1. your written election of the death benefit advance; and
2. the written consent of any irrevocable beneficiary or any assignee, that you may elect the death benefit advance; and
3. a written opinion of the insured's physician that states the diagnosis of the insured's medical condition and that such medical condition is a terminal illness as defined in this rider; and
4. approval by our medical director.

The death benefit advance can only be elected once, per certificate, subject to the limits outlined in the Calculation of Payment provision.

Your election of the death benefit advance is automatically voided and no benefit is payable under this rider if the insured dies after the above requirements are met and before we have paid the benefit.

Any amount later payable under the certificate as a death benefit is reduced by the amount of the death benefit advance before reductions for the current discount.

Calculation of Payment. The amount available for death benefit advance is 75% of the death benefit amount for the certificate (excluding any term riders and accidental death benefit rider) on the insured's life subject to a maximum of \$100,000.

The death benefit advance amount payable to you is discounted at the current discount rate.

The death benefit advance and any remaining death benefit amount for the certificate will be determined at the time the claim is made.

If you elect this benefit on more than one certificate that the insured has with us, we retain the right to utilize the death benefit of one certificate completely prior to using another certificate.

Waiver of Premiums Benefit. We waive premiums for the certificate and any riders attached to the certificate if the death benefit advance is paid. This waiver of premium benefit is in lieu of any other premium waiver benefit provided by the certificate or a rider attached to the certificate.

Waiver of premiums will:

1. begin on the premium due date on or next following the date you provide us with satisfactory evidence of terminal illness as defined in this rider; and
2. continue until the certificate terminates.

TERMINATION

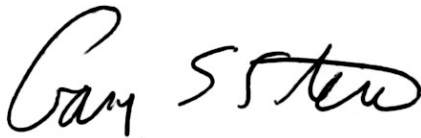

This rider terminates and is no longer in force on the earliest of:

However, exercising this option before you apply for these programs, or when you are receiving government benefits, may affect your continued eligibility. Contact the Medicaid Unit of the local Department of Public Welfare and Social Security Administration Office for more information.

CAUTION: The issuance of this rider is based on your responses to the questions on your enrollment form and/or evidence of insurability form. A copy of your enrollment form and/or evidence of insurability form is attached. If your answers are incorrect or untrue, then we have the right to deny benefits or to rescind this rider. The best time to clear up any questions is now, before a claim arises! If, for any reason, any of your answers are incorrect, please contact us at the address shown above.

NOTICE TO BUYER: This rider may not cover all of the costs associated with long-term care incurred by the buyer during the period of coverage. The buyer is advised to review carefully all rider limitations.

This rider is issued in consideration of the rider premium and the written request for this rider. This rider is attached to and made a part of the certificate as of the rider effective date. All definitions, exclusions, limitations, terms, conditions, and provisions of the certificate apply to this rider. If there is a conflict between this rider and the certificate, this rider will control.

If this rider is returned within 30 days after you receive it, we will refund all premiums paid for this rider and coverage under this rider will be void. If you return this rider, please note on it in writing: This rider is returned for rescission and refund of premium.

RENEWABILITY

This rider is noncancellable for the life of the certificate to which it is attached, provided that this rider and the certificate remain in force and premiums are paid on time. The premiums quoted at issue of this rider will not be changed.

Substantial supervision means continuous 24-hour supervision (which may include cueing by verbal prompting, gestures, or other demonstrations) by another person that is necessary to protect the severely cognitively impaired insured from threats to the insured's health or safety.

CONDITIONS ON ELIGIBILITY FOR BENEFITS

Eligibility for benefits under this rider is satisfied when all of the following conditions are met:

- the insured is chronically ill;
- the certificate and rider are in force, subject to the Non-Forfeiture Benefit provision;
- the insured has satisfied the elimination period;
- the insured has used qualified long-term care services and been chronically ill for at least one day during the last 180 consecutive days;
- the insured is receiving qualified long-term care services while this rider is in force;
- the insured is in a period of care that begins while this rider is in force;
- the insured incurred charges for qualified long-term care services which are included in the insured's plan of care; and
- all irrevocable beneficiaries and assignees have signed the written request for this benefit, if applicable.

We may periodically require certification that the insured is chronically ill, but not more than once every 90 days.

If the insured goes 180 consecutive days or more without using qualified long-term care services or being chronically ill, we will consider this to be the end of the current period of care. If the insured subsequently starts using qualified long-term care services or being chronically ill again, we will consider this to be a new period of care and the insured must satisfy a new elimination period.

The benefits payable under this rider are voluntary and are not intended to cause an involuntary reduction of the death benefit ultimately payable to the beneficiary. Therefore, the accelerated death benefit is not available if the insured is:

- required by law to use this option to meet the claims of creditors, whether in bankruptcy or otherwise; or
- required by a government agency to use this option in order to apply for, obtain, or keep a government benefit or entitlement.

ACCELERATED DEATH BENEFIT

If the insured satisfies the conditions stated in the Conditions on Eligibility for Benefits provision, you may request an acceleration of the death benefit amount. We will pay a benefit to you upon our receipt of:

- your written request for the accelerated death benefit;
- written certification from a licensed health care practitioner that the insured is chronically ill; and
- signed consent from any irrevocable beneficiary or assignee, if applicable.

ACCELERATED DEATH BENEFIT OPTIONS

You may choose one of the following options when requesting an acceleration of the death benefit amount under this rider:

OPTION 1 - MONTHLY ACCELERATED DEATH BENEFIT

You may request a monthly accelerated death benefit payment for each month the insured satisfies the conditions stated in the Conditions on Eligibility for Benefits provision. The maximum monthly accelerated death benefit is the death benefit amount on the monthly date immediately following the date the insured first becomes eligible for benefits times the monthly acceleration percentage shown in the certificate for this rider, or the remaining death benefit if less. The death benefit available for acceleration does not include the amount of any Accidental Death Benefit or Term Rider(s), nor does it include any restored death benefit amount or extended death benefit amount.

If a full month of qualified long-term care services was received, we will accelerate the maximum monthly accelerated death benefit amount. If the insured is confined for only a fraction of a monthly benefit period, we will accelerate a pro rata amount for each day of confinement within that monthly benefit period. If the insured receives qualified non-confined care services less than 2 times during a monthly benefit period, we will accelerate a pro rata amount for each day of the monthly benefit period that qualified non-confined care services were received. In no instance will we accelerate more than the maximum monthly accelerated death benefit amount, as calculated above.

The monthly benefit payable to you as a result of the monthly acceleration of death benefit is equal to:

1. the monthly accelerated death benefit amount; less
2. any due and unpaid premium.

ACCELERATED DEATH BENEFIT (continued)

OPTION 2 – ONE-TIME LUMP SUM ACCELERATED DEATH BENEFIT

In lieu of the monthly accelerated death benefit, you may request a one-time lump sum accelerated death benefit payment. The maximum one-time lump sum accelerated death benefit is the death benefit amount on the monthly date immediately following the date the insured first becomes eligible for benefits times the lump sum acceleration percentage shown in the certificate for this rider, or the remaining death benefit if less. The death benefit available for acceleration does not include the amount of any Accidental Death Benefit or Term Rider(s), nor does it include any restored death benefit amount or extended death benefit amount.

The one-time lump sum benefit payable to you is equal to:

1. the one-time lump sum accelerated death benefit amount; less
2. any due and unpaid premium.

Upon payment of the one-time lump sum accelerated death benefit, your rights under this rider will end, and this rider will terminate.

MAXIMUM ACCELERATED DEATH BENEFIT

The total amount of the accelerated death benefit payable under this provision will not exceed the death benefit amount in force on the day the elimination period is first satisfied.

See the Restoration of Accelerated Death Benefits provision for information on how the death benefit may be restored. See the Monthly Extension of Accelerated Death Benefit provision for details on additional monthly accelerated death benefit payments that may be available under this rider.

RESTORATION OF ACCELERATED DEATH BENEFITS

MONTHLY RESTORATION

If the death benefit is accelerated under the Monthly Accelerated Death Benefit provision of this rider, we will restore the death benefit by an amount equal to the monthly accelerated death benefit we paid. The first monthly restoration will be made following the first monthly benefit period for which the monthly accelerated death benefit is paid. Subsequent monthly restoration will be made on a periodic basis coinciding with each monthly accelerated death benefit payment.

ONE-TIME LUMP SUM RESTORATION

If the death benefit is accelerated under the One-Time Lump Sum Accelerated Death Benefit provision of this rider, we will restore the death benefit by an amount equal to the one-time lump sum accelerated death benefit we paid.

MAXIMUM RESTORATION

The total amount of restoration under this rider will not exceed 100% of the total reduction in the death benefit amount for accelerated death benefits paid under the Accelerated Death Benefit provision of this rider. No restoration is provided for accelerated death benefits under the Monthly Extension of Accelerated Death Benefits provision.

The restored death benefit amount is not available for acceleration.

Restoration of accelerated death benefits will not restore an acceleration of death benefit made under any rider except this rider.

MONTHLY EXTENSION OF ACCELERATED DEATH BENEFITS

After the monthly accelerated death benefit has been exhausted, we will increase the death benefit amount and simultaneously accelerate this incremental death benefit amount for monthly benefit periods, or fractions thereof, during which the insured continues to be eligible for benefits. The monthly extension of accelerated death benefits is not available if you elected the one-time lump sum accelerated death benefit payment in lieu of the monthly accelerated death benefit.

If the insured receives a full month of qualified long-term care services, we will increase the death benefit amount by the maximum monthly accelerated death benefit amount and then simultaneously accelerate this incremental death benefit amount. If the insured is confined for only a fraction of a monthly benefit period, we will increase and accelerate a pro rata amount for each day of confinement within that monthly benefit period. If the insured receives qualified non-confined care services less than 2 times during a monthly benefit period, we will increase and accelerate a pro rata amount for each day of the monthly benefit period that qualified non-confined care services were received. In no instance will we increase and accelerate more than the maximum monthly accelerated death benefit amount, as calculated above.

The death benefit available for acceleration does not include the amount of any Accidental Death Benefit or Term Rider(s), nor does it include any restored death benefit amount.

If the insured satisfies the conditions stated in this provision and in the Conditions on Eligibility for Benefits provision, we will pay the monthly extension of accelerated death benefits to you upon our receipt of:

- your written request for the accelerated death benefit;
- written certification from a licensed health care practitioner that the insured is chronically ill; and
- signed consent from any irrevocable beneficiary or assignee, if applicable.

The monthly benefit payable to you as a result of the monthly extension of accelerated death benefits is equal to:

1. the monthly accelerated death benefit amount; less
2. any due and unpaid premium.

MAXIMUM EXTENSION

The total amount of the increased and accelerated death benefit amounts under this Monthly Extension of Accelerated Death Benefits provision will not exceed 100% the death benefit amount on the day the elimination period is first satisfied.

GENERAL PROVISIONS

EFFECT OF PAYMENT

When the accelerated death benefit is paid:

- the death benefit amount will be reduced by the accelerated death benefit amount; and
- the life insurance premium will be reduced in proportion to the reduction of the death benefit amount.

When the Restoration of Accelerated Death Benefits is paid, the death benefit will be unaffected because the death benefit amount will be decreased and then restored by the same amount.

When the Monthly Extension of Accelerated Death Benefits is paid, the death benefit will be unaffected because the death benefit amount will be increased and then accelerated by the same amount.

While the insured is eligible for benefits under this rider, no change to existing riders may be requested nor may new riders be added.

The payment of benefits under this rider will not affect any Accidental Death Benefit or Term Rider(s).

DEATH BEFORE PAYMENT

If the insured dies before we pay an accelerated death benefit, we will void your request for that accelerated death benefit and pay the death benefit pursuant to the certificate.

GENERAL PROVISIONS *(continued)*

ORDER IN WHICH REQUESTS ARE APPLIED

If you request payment of the accelerated death benefit under this rider and any other rider(s), we will pay the accelerated death benefit under each rider based on the order in which the requests are received.

PREMIUM

The premium for this rider is shown in the certificate.

WAIVER OF PREMIUM

For each certificate month the insured receives monthly benefits under this rider, we will waive the premium for the certificate and any attached riders, if applicable. This waiver is in lieu of any other premium waiver benefit provided by the certificate or any other attached riders, if applicable. Waiver of premium is not available if you elected the one-time lump sum accelerated death benefit payment in lieu of the monthly accelerated death benefit.

REINSTATEMENT

The certificate and this rider will be reinstated, upon lapse, if proof is provided that you were cognitively impaired or had a loss of functional capacity before the grace period contained in the certificate expired. This request, and submission of all past due premiums, must be made within 5 months after termination. Proof of cognitive impairment or loss of functional capacity will be on the same basis as the benefit eligibility criteria for cognitive impairment or loss of functional capacity as described in this rider.

INCONTESTABILITY

If this rider has been in force for a period of less than 6 months, we may rescind this rider or deny an otherwise valid claim upon a showing of misrepresentation that is material to the acceptance of coverage.

If this rider has been in force for a period of at least 6 months, but less than 2 years, we may rescind this rider or deny an otherwise valid claim upon a showing of misrepresentation that is both material to the acceptance of coverage and which pertains to the condition for which benefits are sought.

After this rider has been in force for a period of 2 years, it becomes incontestable upon the grounds of material misrepresentation alone. This rider may be contested only upon a showing that the insured knowingly and intentionally misrepresented material facts relating to the insured's health.

APPEALS PROCEDURE

If you wish to file an appeal regarding a denial of claim, you must send a written request to us within 60 days of receiving our notification of denial. We will complete our review of your appeal within 60 days after receiving your appeal. The review period may be extended up to 120 days. You will receive advance written notice if the period is extended.

EXCLUSIONS

We will not pay benefits under this rider for qualified long-term care services that are:

- provided as a result of mental or nervous disorder (this exclusion does not apply to Alzheimer's Disease or other organic brain disorders);
- provided as a result of alcoholism or drug addiction;
- provided as a result of illness, treatment, or medical conditions arising out of:
 - war or act of war (whether declared or undeclared);
 - participation in a felony, riot, or insurrection;
 - service in the armed forces or units auxiliary thereto; or
 - suicide (while sane or insane), attempted suicide, or intentionally self-inflicted injury;
- provided in a government facility (unless otherwise required by law);
- services for which benefits are available under Medicare (this includes services for which benefits would have been available under Medicare but for the application of a deductible or coinsurance amount) or other governmental program (except Medicaid), any state or federal workers' compensation, employer's liability or occupational disease law, or any motor vehicle no-fault law; or
- received outside the United States or its territories.

PRE-EXISTING CONDITION LIMITATION

We do not pay benefits under this rider for a period of care that begins in the first 6 months after the rider effective date if a pre-existing condition causes the insured to be chronically ill. This limitation does not apply to a period of care that begins more than 6 months after the rider effective date that is caused by a pre-existing condition.

TERMINATION

Coverage under this rider will end on the earliest of the following:

- the date the group policy is terminated;
- the date this rider is terminated under the group policy;
- the date we receive the group policyholder's written request to terminate this rider;
- the date the certificate terminates;
- the date of the insured's death;
- the date we receive your written request to terminate this rider;
- the date the insured is no longer eligible for this rider; or
- the date all accelerated death benefits and all extension benefits available under the Monthly Extension of Accelerated Death Benefits provision are paid under this rider.

Termination will not prejudice the payment of an accelerated death benefit if the insured was chronically ill and receiving qualified long-term care services while this rider was still in force.

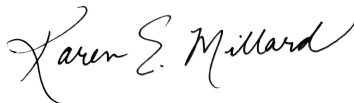

Coverage will not lapse or terminate due to nonpayment of premium unless we, at least 30 days before the effective date of the lapse or termination, give notice to you and to those persons designated by you to receive the notice of lapse or termination. Notice must be given by first class United States mail, postage prepaid, and notice may not be given until 30 days after a premium is due and unpaid. Notice is considered to have been given as of 5 days after the date of mailing.

NON-FORFEITURE BENEFIT

If this rider terminates due to non-payment of premium at any time after the end of the third year following the rider effective date, the non-forfeiture benefit will equal the sum of all premiums paid for this rider or a one-time monthly payment of the monthly accelerated death benefit, whichever is greater, subject to the maximum remaining death benefit amount.

The non-forfeiture benefit is payable in a lump sum according to the terms of this rider when the insured satisfies all the conditions stated in the Conditions on Eligibility for Benefits provision, except for the condition that the certificate and this rider are in force. The restoration of accelerated death benefits and monthly extension of accelerated death benefits are not available under this non-forfeiture benefit.
